We will be building a gallows right in front of the Capital so the traitors know the stakes. I'm driving up in a sedan but if a patriot with a pickup will assist I'm down to spend from my credit line at Home Depot for all of the supplies needed for this. Driving up Monday night or early Tuesday. (media.patriots.win)

Maybe instead of a noose you could use a meat hook. The FBI gets triggered by nooses. And dont u yellowwood cause thats racist. And you need a wheelchair ramp for the handicapped or you will be fined. /s
